EMPLOYMENT HISTORY

Event Operations Coordinator (Volunteer), Saylani SMIT Entrance Examination

Karachi

- Took sole command of the entire right-hand section of a thousands-strong entrance exam venue, designing the operational structure from scratch on the day.
- Built a 4-layer escalation hierarchy: row-level paper distributors → stairwell query team → 3 direct assistants → personal escalation point — achieving fast, error-free paper distribution across the section.
- Maintained high energy and composure throughout the event, proactively moving across the section to pre-empt issues before they escalated.
- Received direct commendation from faculty and institutional staff for ownership, crisis control, and resource coordination.

Teaching, Private

Oct 2020 — Present

Responsible for providing personalized education tailored to individual student needs. Focused on creating engaging lesson plans, delivering instruction in various subjects, and assessing student

progress. Maintained a supportive and motivating environment to enhance learning outcomes and student confidence.

Academic Tutor — Home & Online, O-Level & IGCSE

Karachi

Provide one-on-one academic support across 7 subjects: English, Islamic Studies, Science, Chemistry, Physics, History, and Geography. Serve students at O-Level and IGCSE level both in-person (Karachi) and remotely for international students. Previously worked as a Teacher Assistant for O-Level classes — contributed to lesson planning, student progress tracking, and classroom engagement. Conduct exam-focused revision sessions and structured preparation programs tailored to each student's weak areas.
